Celebrating Hope, Love & Healing that Transforms
October 16-17 from 9 am to 5 pm
Live Music - Rain or Shine - Free Admission

This is an exciting opportunity for the diverse Body of Christ to come together as one, to show the world our unity in worshipping and celebrating Jesus!

Together, we will help the lost and hurting to know that Jesus and His Church loves and cares for them. The Holy Spirit will provide an atmosphere where souls can be saved, healed and transformed as we honor Jesus.

We acknowledge that there are denominational distinctions, but we are in unity that no one person, church or denomination will be emphasized. We will exalt Jesus alone through the Holy Spirit, for the building of God's Kingdom.
